Sanctuary

We desire to maintain an environment in the sanctuary as free of distraction as possible. Therefore, we ask that children (under the age of 12) be taken to their classroom according to their age or grade level. If you desire to sit with your children (under the age of 12) during the adult worship service, we ask that you please use the seating provided for you in the Fellowship Hall. Additionally, if you need to leave your seat and desire to return during the sermon, you may be asked to sit in the reserved seating in the back until the teaching has concluded. Thank you.
